48. In accordance with RSA 39:3 are you in favor of electing a tax collector for a three year term? (By petition) Majority vote required.
49. To see if the Town will adopt an exemption from taxation for Wood Powered Energy System Improvements (as defined in RSA 72:69 and allowed by RSA 72:70). This request is in accordance with provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels. (By petition)

50. To see if the Town will adopt an exemption from taxation for Wind Powered Energy System Improvements (as defined in RSA 72:65 and allowed by RSA 72:66). This request is in accordance with provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels. (By petition)

51. To see if the Town will adopt an exemption from taxation for Solar Powered Energy System Improvements (as defined in RSA 72:61 and allowed by RSA 72:62). This request is in accordance with provisions of RSA 72:33, 34 and 34-A.38, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given municipalities the option of this incentive to utilize Renewable Energy Systems, and lessen our dependence on fossil fuels. (By petition)

52. To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Richmond, NH, believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes. (By petition)

53. The Town of Richmond, meaning the government and all its boards, commissions, employees, and contractors, shall obey all Zoning Ordinances, Subdivision Regulations, Site Plan Review processes, and all State Regulations and Laws in the conduct of its business of governing, maintaining, and improving the Town of Richmond. The Town shall be exempt of all fees except review and postage fees for plans, plats, and applications. During emergencies or disasters the Town may act in whatever manner necessary to protect the public safety and welfare. This however does not relieve the Town from its obligations to act in a responsible manner regarding Federal, State, and Town laws, rules, ordinances, and regulations. (By petition)

54. To hear any reports of Agents, Committees, etc heretofore chosen and to take any action thereon.

55. To take any action that may legally come before the meeting.

THE STATE OF NEW HAMPSHIRE

TOWN MEETING RESULTS

MARCH 13, 2007

The moderator made several announcements before calling the meeting to order. He stated that voting cards would be given to each person present who was on the checklist, and he explained the procedure for obtaining the cards. He also mentioned that the Richmond Rescue Squad had snacks available in the kitchen. He pointed out the 3 exits to be used in case of emergency.

The meeting was called to order at 7:35 PM. The moderator asked those present to remember our servicemen and those ill in Richmond. He announced to late arrivals that they would need voting cards. He asked people to turn their voting cards in when they leave. He stated that the ballots would be counted after the meeting, and that people may witness the counting if they wish. The flag salute was lead by the moderator. Pastor Jackie Brannen led the invocation. The moderator said that he would vote on issues if there was a tie vote or whenever he chose to.

TOWN CLERK'S REPORT
DECEMBER 31, 2007

Revenue collected in the Town Clerk's office was slightly less (\$500) than last year. However, interestingly enough, the number of vehicles registered and total income has increased over the years as follows:

Yr.	Vehicles	Income
1960	221	\$1,595
1970	281	\$3,321
1980	492	\$11,270
1990	975	\$57,937
2000	1415	\$139,593
2007	1729	\$187,274

Our new, climatically controlled Vital Records vault was finished in early spring and is a great asset to us in the storage of essential records. All money for this project came from a grant from the state Archives Bureau. All work was done by Condon Custom Construction Company. We feel very fortunate to have a safe environment in which to store permanent documents.

In September we cancelled the motor vehicle program that we had purchased in 2006 from our vendor, BMSI. In place of it we went online directly with the state. We are much happier with this new program. The learning curve was short and the process is user friendly. We waited long enough to go to this program that the glitches had all been worked out. We hope customers will notice that service is greatly improved with transactions being done much quicker and easier.

We are also working hard at establishing greater communication with other departments. A Safety Committee and a Records Retention Committee have been formed. These committees contain representatives from almost all town departments.

We were sorry to lose two longtime employees this fall. Deb Vaughan resigned to accept the position of a school principal. Joe Mondello's position was downsized by the government agency in charge of the program he worked for. They were both great assets to our office, and we miss them.

We continue to thank Annette Tokunaga for her excellent service.

Thanks also go to Wes Vaughan of Comtrek, Inc. for all of his computer services to our office, much of which was without fee. We truly appreciate all he has done for us.

Respectfully submitted

Pamela R. Goodell

Carolee Kiely
Deputy Tax Collector

Greetings to the Residents and Property Owners of Richmond.

First, I'd like to thank everyone for their continued support, by way of compliment and criticism, during 2007. I have been in office since April 13th, 2005 and I have learned a lot and I have met a lot of wonderful people in town. It has been my policy since being appointed as your tax collector to treat everyone with impartiality, courtesy, and respect. In carrying out my role as tax collector, I find it is absolutely necessary to make the collection of taxes as convenient as possible for the taxpayers. Whenever I am in the office beyond the routine business hours, my doors are always open to you.

As many of you may be aware, Cheryl Tattersall, Richmond's Deputy Tax Collector passed away on December 26th, 2007. She was in the position for eight months. Carolee Kiely succeeded Cheryl as Richmond's newly appointed Deputy on January 24th, 2008.

During 2007, in order to stay on top property tax issues, I attended the following annual work shops: the regional spring workshop in Marlborough; and the annual three-day tax collector's conference which was hosted again in North Conway. Additionally, I completed year two of a three year tax collector's certification course which was held at Primex in Concord; this was a week long workshop.

Failure to file the town's annual inventory report by April 15th for 2007 involved 145 parcel owners for an amount equal to \$3,319.00. 2006 penalties involved 130 parcels for an amount equal to \$2,869.00.

2007 property taxes increased by 2% from \$19.97 per thousand to \$20.37 per thousand. (See table below). Second issue 2007 property tax bills were mailed out on December 4th, 2007 and were due on January 17^h, 2008; this was the earliest that tax bills have been mailed out since taking office. By law, the earliest possible due dates are July 1st and December 1st, respectively. It is my hope that barring any delays beyond my control, 2nd issue 2008 tax bills will go out on time.

Thank you all for your cooperation and patience.

Sincerely,

Steve M. Boscarino

Richmond Public Library

2007 Annual Report

The Richmond Public Library continued to grow during 2007, through the expansion of children's programming, an increase in circulation, the continued automation of the collection, the receipt of two grants, and the ongoing support of many dedicated volunteers.

In January 2007, we added a preschool story hour under the guidance of Gwyn Powers, an early childhood educator. This important initiative to increase literacy to the very young has been very successful, and coincides with the placement of a table of board books for babies and preschoolers. The elementary school story hour continued, exposing older children to important children's literature as well as some stories just for fun. Also continuing this year was the bi-weekly story time for the younger students at the Immaculate Heart of Mary School. A new event this year was a gingerbread house making workshop hosted by Elaine Moriarty at the Veterans' Hall in November. This was well attended and enjoyed by young and old alike.

This year's state summer reading program, "Reading Road Trip, U.S.A.," was a great success. Fifty-one children signed up for the program, and thirty-two completed it. We held program sign-ups at the Richmond Recreation Committee's summer kick-off party and had great fun with a DJ, pizza, crafts and games. We also had a visit from the Richmond Police Department and received tours of the Town's police cruiser. Volunteer Elaine Moriarty held a rainy day "Pit Stop" at the Library in July with a scavenger hunt and games, as well as a luncheon featuring foods from around America. Finally, in August we had a great wrap up party with the help of Steve Blunt, who presented a musical program, "Bookin' Down the Highway." Steve's visit was made possible by a grant from the New Hampshire State Council on the Arts

and the New Hampshire State Library, and donations from the Byrne Foundation, CHILIS, and the Cogswell Benevolent Trust. Thanks are also due to the Summer Reading Program Committee: Elaine Moriarty, Gwyn Powers, Maria Royce, and Deb Watson.

The Library also received a grant from the Libri Foundation, a nationwide non-profit organization which donates new, quality, hardcover children's books to small rural public libraries throughout the United States. The Foundation states that the books obtained through the grant, "reflect the very best of children's literature published since 2002." In order to receive the grant the Library raised \$350.00 through its annual book sale and silent auction. The Foundation matched the Library's fund-raising efforts at a 2-to-1 ratio. The Library has accessioned sixty-five children's books worth approximately \$1,060.

We are very pleased to report that circulation of materials is up 20% over last year, with 5,877 items circulating as opposed to 4,690 in 2006. This is also a great increase over the 2,908 reported over a nine month period in 2005. Over the course of 2007, more Library collections came on line in our automated system, and now audio-visual materials, adult fiction and non-fiction, children's picture books, juvenile biography and some juvenile fiction are able to be checked out on the system for a total of 9,465 items. Some juvenile fiction, juvenile non-fiction, young adult, adult biography, and magazines remain to be entered. Thanks are due to Barbara Woodward, who has tirelessly entered materials into the state on-line system, as well as Evelyn Huston, who assists with the day-to-day Library functions by volunteering her time three days a week.

In addition, our use of the state interlibrary loan system has significantly increased, as we borrowed a total of 317 items and loaned 114 items to other libraries throughout the state. This is opposed to 244 items borrowed and 98 items lent in 2006. This is a wonderful service for a

small library, as this system allows us to borrow a variety of materials we could otherwise not afford. Since our interlibrary numbers have increased so significantly, we are hoping to have the state van service stop directly in Richmond in 2008, as opposed to having our materials dropped off in Keene.

In January 2007, due to increased usage, the Library Trustees adopted both a policy and guidelines for patron's reference computer. This policy is available in full at the front desk, as well as being posted next to the computer. The major changes involve signing in at the front desk prior to use, as well as restricting use to ½ hour at a time, unless no-one is waiting. Patrons are welcome to call the Library to reserve the computer for a ½ hour time slot. As always, parents are encouraged to come in with their children and supervise Internet sessions. This is the first year that we have gathered statistics of the number of people using the computer. A total of 372 people signed in over the course of the year, which averages to 2 uses per day. On Saturdays, the computer is often reserved for the entire time that the Library is open.

We had a wonderful Richmond Day and were pleased to see so many old and new faces. New this year was a float in shape of a book painted by the children of Richmond. Thanks to Deb Watson, the children had a great time at a barbecue and painting their favorite children's book characters. We wish to thank the Goldberg-Jaffe family for their years of service as the Friends of the Library. This year, Deb Watson obtained many of the items for the silent auction, and this, combined with the book sale, raised \$563.50. Special thanks go to Barbara Woodward, Evelyn Huston, and Tim Elkins, who helped move the books and tables for the book sale. In November, our bake sale and gingerbread house silent auction was a huge success, raising \$330.00. Elaine Moriarty set up the table the night before, baked fantastic treats for humans and animals, and supervised the table throughout the day. Thanks to Deb Watson, we had both a

wonderful gingerbread house and beautiful train for our silent auction. The BIGGEST thank you goes out to all of you who baked for the sale—we had an overwhelming response. We couldn't have done it without all of you!

The Librarian and the Trustees wish to thank the Richmond residents for their continued support of the Library in the Town's budget. Come by and see the new changes in your Library!

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Richmond, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Richmond, New Hampshire (the Town) as of and for the year ended December 31, 2006, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Richmond, New Hampshire as of December 31, 2006, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and the budgetary comparison information on pages i-vi and 16-17, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Richmond, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Archives Report 2007

2007 brought inquiries from the surrounding states of Massachusetts, Maine, New York, Vermont and Rhode Island as well as New Hampshire. Other states include Ohio, Illinois, Nevada, Texas, California, Montana, Pennsylvania and Maryland. Spring, summer and fall were busy times, by mail, phone, and at my door. Resources come from a myriad of sources and not just the History of Richmond, by William Bassett. In fact this book often leads the inquirer to want more information on his (her) subject. Requests for information also come periodically from the Historical Society of Cheshire County. When information can not be found in our collection patrons are referred to many different places. If ones ancestors came to Richmond at an early date there is usually something available. The early records yield a plethora of information and many a writer has included reference to material obtained from the Richmond Archives.

Efforts to collect and maintain current material is on-going, as our throw-away society discards more than it saves.

The annual Archive display this year featured Eliza Ballou and her son President James A. Garfield with photographs and information on visits to Richmond. In the afternoon there were two showings of the film of the 2002 dedication of the monument to the Revolutionary War patriots, (Erected by the Richmond Historical Society). This film, by Jim Laitinen, was enhanced with spoken word and documents by Robert Perry, put on disc and tape for the archives. A copy was also given to the Historical Society of Cheshire County so that others may enjoy seeing the Richmond Historical Society's project celebrating the 250th Anniversary of the Town.

Several articles of historic nature were written for the Richmond Rooster. Efforts to improve and add to the collections are always underway. Help is always needed. Indexing of collections makes it easier to retrieve information. Time is saved in the hunt for information. Those seeking information are encouraged when calling for an appointment, to have a ready list of their questions so that what is available will be ready.

For an appointment, please call 239-4598. The archives will be closed January 1 thru March 1, 2008.

Norma Thibodeau

Cemetery Report for 2007

What a busy year for the Cemetery Trustees.

Our major concern this year was to get the land issue resolved in order to enlarge the cemetery on the Athol Road. This new cemetery will be adjacent to Old, New South and Earl Howard Memorial. Gerri Lutz (Cemetery Trustee Chair) researched and presented her findings to the Board of Selectmen that cleared this issue. We are now proceeding to place a warrant in the upcoming Town Meeting. Bids were received on the clearing of the land and a company selected from the bids who the Committee thought best qualified to do the job in its entirety. This will be contingent with the approval of the Warrant for the new Cemetery.

On other matters: We finished placing loam in the sink holes in Old South. This job is still ongoing. More loam will need to be purchase in 2008. Gravestones were repaired in Middletown and Old South. This is still ongoing into 2008.

The fence and shed in Middletown were given a new coat of paint and repaired where needed. Plans to shingle the shed are on the docket for this year. Shingles have already been purchased.

New flag holders for the Veteran's graves and some grave markers were purchased. The markers will enable us to better lay-out grave sites. Perpetual care markers were purchased and placed on those graves that require perpetual care. Flowers this year were purchased for these sites. We hope to extend this to the non-maintained cemeteries where perpetual care has been paid for.

We met with the Trustees of the Trust Funds to gather better knowledge on the use of the Trust Funds for the cemeteries. A spreadsheet was improvised to be used for the transferring of these funds.

A labor study was conducted in 2006 to determine adequate pay for four (4) cemeteries to be maintained. Though completed, this is an ongoing task to keep up with the labor market.

Equipment was purchased to reduce labor for clean-up.

We had some vandalism in Old, New South and Earl Howard Memorial. Flags were either broken or removed from their flag holders and there were a couple of other incidents. A Police Report was filed.

We added two more gravediggers to ensure timeliness in preparing a needed gravesite.

Benson Cemetery was cleaned up in the fall by Chris Majoy with the help of Cliff Struthers (Winchester).

We sold 15 lots and had 2 burials. In the works this year 2008. Green Burials are coming

2007 Annual Report

The Richmond Conservation Commission held its regularly scheduled meetings, work sessions, and public informational meetings.

The majority of our field reviews and work sessions involved presenting findings to the Zoning Board of Adjustment concerning impacts to wetlands and Wetland Conservation Districts. The various findings addressed: road extensions, driveway access, gravel pit expansions, and water and sewer lines crossing Wetland Conservation Districts.

We are happy to report that the Conservation Commission was able to assist and support the efforts of the Kibler Family in the donation of a 149 acre conservation easement known as the Perry Farm located off Taylor Hill Road. Conservation easements enhance the rural character of our forested landscape and this parcel includes historical features such as stonewalls and a cellar hole known as the Johnson House Place. We wish to thank the Kibler family and the Monadnock Conservancy for their efforts in making this conservation easement possible.

The planning process regarding the proposed expansion of the Silvio O Conte National Fish and Wildlife Refuge to include the Sprague, Roaring, and Mirey Brook watersheds in Richmond and Winchester is moving forward. We anticipate that more information will be forthcoming from both the US Fish and Wildlife Service and the Nature Conservancy. The Commission will be hosting meetings and giving updates as the information becomes available.

As a reminder, The Richmond Conservation Commission holds its regularly scheduled meeting on the 1st Thursday of every month at 7 pm at the Civil Defense Building unless otherwise posted.

RICHMOND EMERGENCY MANAGEMENT

2007 was a very active year of training for Richmond Emergency Management. Because a portion of the Town is within a ten mile radius of the Vermont Yankee nuclear power plant, Federal regulations require certain emergency response plans and notification procedures to be in place and tested every two years. In 2007, the Town performed three test exercises of its emergency response plan prior to its Federally graded exercise in the fall. The Town continues to get very high marks on its performance in the Federally graded test as a result of the outstanding volunteers of the Fire, Rescue and Police departments.

Town residents are reminded that each household is eligible to receive a free tone alert weather radio as part of the notification plan for the Town. Requests for these radios can be made in writing through the Selectmen's office and directed to Richmond Emergency Management.

In addition to the Vermont Yankee training, the Town received a grant to rewrite and update its general Emergency Response plan. Work on that revision will be taking place in the spring of 2008. The bathroom in the CD building has been upgraded to be fully handicap accessible. Through Vermont Yankee funding, Emergency Management has been able to upgrade radios and other equipment critical for accurate and timely response in case of emergencies.

RICHMOND PLANNING BOARD

2007 was a very busy year for the Planning Board. As the Town continues to grow, the complexity of the issues before the board has increased exponentially. Federal Regulations, State Regulations and our own regulations are continually modified and redefined to address a more complex society. For a good portion of 2007, the Board tirelessly worked on an ambitious and complex Site Plan review for a proposed expansion of the St. Benedict's Center school / chapel. The site Plan was eventually approved by the Planning Board with conditions. Presently, legal clarification and adjustment of some of the Board's conditions is being sought by the applicant.

Other major issues that have come before the Board in 2007 and remain very active are the excavation pits in Town. The Town and the excavation operators, whether commercial or private individuals, have struggled with issues of compliance with State regulations governing their operations. What might appear to be very straightforward in the State RSAs has developed into many grey areas of interpretation that the Board has wrestled with. In 2008, the Board will continue to insure compliance with State regulation while defining policy to address the grey areas of regulation interpretation.

In closing, the Town of Richmond is lucky to have the very dedicated volunteers on the Board who have tirelessly acted with the best interest of the Town in mind.

Town Report 2007

The Richmond Police Department has had another busy year. We have had several events this year that have been notable. We have covered multiple motor vehicle crashes and have made several arrests throughout the year.

During this year we covered incidents involving several burglaries, thefts, vandalism complaints and arrested many suspects on motor vehicle related charges. Investigations lead to 16 warrants being issued for arrests on various crimes. There were 29 arrests made and covered 11 accidents.

The Bike Rodeo that we conducted during the Fireman's picnic was once again an excellent success. This event continues to grow every year. We try to involve as many children in the events as we can to offer something for every child. We will continue to strive to improve our portion of the events that day. Officer Bosquet received a variety of prizes through local businesses as well as businesses in the Keene area. We were very happy to give all of the children that attended a prize. Through Officer Bosquet's hard work, every child received a prize or gift of some sort. All of the children appeared to have a great time participating. The entire day was a great success. The members of the police department and its volunteers worked very hard providing various informational pamphlets to everyone. The children had fun climbing through the cruisers and asking questions on the equipment that we have.

Unfortunately, this year is no different that the past couple of years. Rachel Derosier resigned this year after being hired by the Town of Rindge as a full time officer. John Melia also took a leave of absence. John has been hired by the Town of Swanzey as a full time officer. I have been able to fill one of the positions with an individual who has been a police officer for over 15 years in New Hampshire. Officer Nicholas Weeks joined the department this year. Nick is a full time officer in Rindge and has worked for various agencies over the last 15 years. Nick comes to the department with a great amount of experience and training.

I have found it increasingly more difficult to find qualified people to fill vacant positions. It is not that there are not quality people that are interested in the position but that the people that are interested are new to the profession and have no experience. The problem with this is that if hired, they need to be sent to training for over 100 hours. Then once that is complete, they need to go through field training, which is another 100 hours. This is very difficult to accomplish because the candidates schedule needs to coincide with either my schedule or one of the other officers schedule to be trained. Unfortunately this process may take up to a year to complete. Typically these candidates are looking to expand their careers in law enforcement and end up leaving once training is complete to further their careers in law enforcement.

Lynn continues to be a great asset to the department. She arranges files and inputs data into our computers, among other duties, for better tracking which allows us to be more efficient and proactive.

As I have stated in the past, the Town of Richmond should be proud of the quality and dedication that encompasses the employees of the Police Department and its support staff.

I will leave you with a few mottos that I have embraced over my career in law enforcement and feel that they are an important part of what we strive to accomplish here in Richmond.

It takes a strong man to stand up for himself, but it takes a stronger man to stand up for others!!

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

RICHMOND FIRE DEPARTMENT RESCUE SQUAD

Richmond Rescue Inc.

Richmond, N.H. 03470

This year your Rescue Squad was the recipient of a donation from the Bailey Family Foundation. We needed to up-grade and replace one of our defibrillators which is what we were able to do with the very generous donation. We now have two defibrillators that are in compliance with the new State CPR protocols.

We have added a new EMT to our roster; Laureen Haynes came on board in Sept. She is also helping out with the Winchester Ambulance. Please feel free to contact any of the Rescue Squad personnel if you would like to pursue a volunteer career with us. There is always room for more!

We responded to 40 rescue calls this past year and 5 motor vehicle accidents.

Please remember, in an emergency, dial 9-1-1, speak calmly and clearly, give the number and address you are calling from, describe the situation and the number of persons involved and stay on the line as more information might be needed!

Thank you again to our great volunteers and their families!

TOWN OF RICHMOND NEW HAMPSHIRE

Office of Selectmen

2007 brought many challenges to Richmond. Road petitions, planning & zoning hearings, building improvements and personnel changes affected the look and feel of our town.

Two petitions for extending town roads created a learning experience for all. A petition to extend the class V portion of Monument Road served as a conduit between the old way and the new way of upgrading a roadway. Legal advice was provided to the Board to insure the process was done correctly. A petition to extend a portion of Old County Road was also submitted. Both upgrades were approved with conditions and the conditions were met.

The Planning Board conducted many hearings for subdivisions, intents to excavate, expansion of a facility, and scenic roadwork. The ZBA conducted hearings for conversion from cottage industry business to small business with employees, requests to work in wetland buffer zones, and clarification of zoning regulations. The cost of legal services that were required for Planning and Zoning issues put a strain on the budget. Many thanks go out to the members of the Planning Board and ZBA for the countless hours that were invested during the year.

Building improvement projects were performed on the Vets Hall, the Town Hall, and the CD Building. Accessibility for voting prompted a change for the lavatories in the Vets hall. (Vertically gifted individuals no longer have to duck while using the restrooms.) The lavatory hallway was cleaned out, stripped down to the sub-floor, and from the dust, one ADA compliant lavatory emerged, next to a smaller lavatory. A new emergency exit for the hall and kitchen was installed in the north wall. In the kitchen, the floor plan was adjusted to make room for the voting booths. The old refrigerator was replaced with an energy-efficient model. Efficient use of space gave us room for seating 200 people in the hall. Early in the year, film clips of a hearing at the Vets hall appeared on TV. The viewers could see peeling paint on the wall behind the stage. The sight of peelings prompted me to scrape and paint the wall. Form followed function and a mural emerged from beneath the paintbrushes. The south and west facing clapboards received a new coat of paint to finish the exterior project. Emergency lighting was upgraded. The slate roof replacement was put on hold for one year because the legal budget was greatly exceeded and the Board had to keep an eye on the bottom line.

Down the street, at the Town Hall, workers were busy putting paint on the south and east walls. A new vault was created for the Town Clerk, and new outside lighting was installed. Plans to complete the CD building accessible lavatory were finalized in December, and the contractor was chosen that could complete the project in January 2008.

Our road agent retired in the spring. The Board interviewed candidates, and appointed a new agent. A safety committee was formed to comply with state regulations. An energy committee was created. As I begin my sixth year as Selectman I wish thank my fellow selectmen, and all the employees and volunteers that strive to keep our town moving in a positive direction.

Road Agent Report Year ending 12/31/07

2007 was an interesting year. It was my first year as Road Agent. We had an unusual winter and a late spring. There was still ice/frost in the ditches in late May. It took a while to get things moving but finally the weather cooperated.

Once we got going we graded every road in Richmond, some for the first time in 4 or five years. We graded the major roads twice. I was able to borrow a York Rake from Swanzy Highway Department. It allowed us to put a nice finish on the roads. We put out gravel where money permitted. We had many culverts that needed replacement either from spring conditions or beaver problems. The Selectmen hired Bill Daniels to trap beaver for us and he caught many. There are a few more culverts to do this year.

I purchased 900 yards of gravel and still have some left at 'The Place'. We will purchase more this year in hopes of fixing a few more bad spots. We also installed paved aprons on Monument Rd. and Morgan. We rebuilt and paved the Bullock Rd. intersection at the suggestion of the State. I plan on three more intersections in 2008.

Also in the works is new signage, as budget permits, on some bridges, intersections, and road names. My plan is to bring them into compliance for size and distances from centerlines etc. There have been some complaints that there was no brush cutting this year. I didn't get much cut, only Mill Rd. and parts of Fish Hatchery, but I figured the ferns could run amuck for one year as we did get quite a bit done.

Winter Maintenance, always an issue, has been a challenge this year. Official reports say Dec was the snowiest in 100 Yrs. I think our contractors are doing a good job. Since Jan. we have had many rain and rain/snow mixes that require more sand than usual. Again I think Buddy and Danny are doing pretty well. I do ask that folks remember we/they cannot be everywhere first or all the time. I have a Trac-Phone now that you may call anytime to at least leave messages. I monitor it regularly. It is a cell phone so reception is spotty but it works at my house and the Place so I will always will get messages. The number is 209-9164. Feel free to call any time. I will call back.

I also moved a 16 X 16 building to use for an office/storage area. Anyone wanting to donate sheetrock or other building supplies to help finish off the interior will be welcomed. All the interior sheetrock had to be removed due to weight concerns for the move.

It has been my pleasure to serve you since April and I look forward to serving you through the next year.

2008 REPORT OF SENATOR MOLLY M. KELLY

As your State Senator, I am again honored and privileged to have the opportunity to serve you. This report will bring you up to date on important issues in the New Hampshire Senate affecting you, as residents of Richmond.

While I serve on the Capital Budget, Education, Executive Departments and Administration, and Transportation and Interstate Cooperation committees in the Senate, there are some specific issues on which the Senate will focus during the current legislative session: costing an adequate education, strengthening the New Hampshire Retirement System, providing broadband service, improving access to healthcare and housing, and addressing highway funding and our statewide transportation infrastructure, as well as improving job opportunities.

Last session, the Senate concentrated on several key issues important to the citizens of New Hampshire: helping working families by increasing the minimum wage; protecting our citizens' health by implementing a smoking ban in restaurants and bars, increasing access to health care by supporting expanded eligibility to health insurance, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program, adopting consumer protections for individuals facing foreclosure and reducing the dropout rate in our high schools by raising the age of compulsory attendance. We also passed a fiscally responsible state budget for the FY 2008-2009 biennium that meets the needs of our most vulnerable citizens without a sales or income tax.

In FY 2007, the Town of Richmond received a total of \$1,048,540 in Education Grants; \$46,100 in Highway Block Grants; \$44,354 from the Meals & Rooms Tax distribution and \$11,522 in Revenue Sharing.

I would be happy to hear from you on any of the topics above, or other issues of concern. If you wish to contact me about these or any other matters I might assist you with, please call me at (603) 271-7803 or email me at molly.kelly@leg.state.nh.us.

Respectfully submitted,

Molly Kelly

Recreation Committee – 2007

The Recreation Committee had it's **1st Summer Kick Off Party** on June 23, 2007. This party was a huge success. The best part was we teamed up with the Library and the Summer Reading Program. We had the party at the Town Pavilion. We hired a DJ, had pizza, drinks and chips from the 4Corner Store, and we had crafts. The DJ, Kris Kleine did a super job involving the **parents** and the children. He played great music and some very fun games. We also had some crafts for the children to take with them including library canvas bags, patriotic necklaces (they made), and color your own beach balls. We had face painting and a visit from the *Richmond Police Department*. The children were fascinated by the car, supplies and the officer. We can't wait to do it again. **We have set a tentative date for June 21st, 2008** be sure to watch the Rooster for details (we will also be hanging signs throughout the town). Hope to see you there!

The Halloween Party is always SPOOKTACULAR!! This year was no different! We had lots of families come this year and enjoy the pizza and snacks from the 4 Corner Store, crafts, and games. Children come to the party in their costumes and have a ghoul of a time! We all really enjoy the party and look forward to next year!

The Recreation committee would like to take this opportunity to thank The 4 Corner Store, Library, The Rooster. Town Hall, and Vet's Hall for your support!

Sincerely,
Tina Thayer

Comfort, care and support

December 3, 2007

Board of Selectmen
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Enclosed please find the Home Healthcare, Hospice and Community Services Annual Report to Richmond. The Annual Report includes information about the services utilized by residents and the cost of services provided in Richmond. We hope you will consider including this information in the Town Report to let residents know about the services that are available to them.

In 2008, we are requesting an appropriation of \$1,500.00 to continue home care services in Richmond. Services will include visiting nurses, rehabilitation therapists and support services that help residents to recover at home or to remain independent at home. In addition, health promotion services, prenatal and well child care and hospice services are available to residents.

Home Healthcare, Hospice & Community Services continues to make every effort to seek funding for patient care from a variety of sources. The town's appropriation is used for patients who are low income and uninsured for home care. Since the town is the payer of last resort, the town's assistance is critical to continue care to residents and allow them to remain a part of the community.

Thank you for your consideration of our request. Please do not hesitate to contact me at 352-2253 if you have any questions about our services or this request.

Sincerely,

Susan Ashworth
Director of Community Relations

Home Healthcare, Hospice & Community Services

Report to the Town of

RICHMOND

2007

Annual Report

In 2007, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Richmond. The following information represents HCS's activities in your community during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	418 Visits
Physical Therapy	152 Visits
Speech Pathology.....	4 Visits
Occupational Therapy.....	29 Visits
Medical Social Work	46 Visits
Home Health Aide	454 Visits
Homemaker.....	718 Hours
Adult In-Home Care	201 Hours
Outreach.....	2 Visits

Total Unduplicated Residents Served: 32

Prenatal and well child care, and hospice services are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2007 with all funding sources is projected to be \$164,002.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2008, we request an appropriation of \$1,500.00 to continue to be available for home care services in Richmond.

Thank you for your consideration.

Board of Selectmen
Town of Richmond
Town Offices
Richmond, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,375.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. (TCK) be placed either on your March, 2008 Town Meeting warrant or in your town budget, for an operating budget request in the amount of \$ 1,355.00.

In setting our request amount, we try to balance the amount of use the individual town has made of TCK in the last year with the town's ability to pay. Between 1/1/2007 and 9/30/2007, The Community Kitchen distributed 168 boxes of food, containing 3,222 meals, to residents of Richmond. Based on these numbers, we have projected distribution totals for the year 2007 of 224 boxes, containing 4,296 meals to residents of Richmond, for a total cost to The Community Kitchen of \$ 2,577.60.

Attached is a sheet showing different facts about our distribution to residents of Richmond, including how many of people served were under age 19 and over age 59. The average cost per meal to TCK is \$ 0.60, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$ 0.60 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$ 0.60 cost per meal would jump to over \$ 4.25 per meal. As you can see, in terms of value received, the \$1,355.00 we are requesting from Richmond is very economical for services provided.

An average of 643 families come to the Pantry for food assistance every week. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal or eggs, juice, yogurt, bagels & bread, pasta & sauce, chicken or other meat products, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 70.00% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 30.00% locally, or from the NH Food Bank in Manchester, where we are charged \$ 0.18 per pound. Approximately \$83,875.00 is spent each year on food.

The Hot Meals Program serves meals Monday through Friday, 5:00-6:30, and Sunday 11:00am -12:30pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF Richmond, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: October 19, 2007

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 9.6 million meals to people in need.

2. Identify the services that Town funding will provide:

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 70.00% of the food for this program is donated, and over 29,700 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:30 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 30.00% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3. **a) Number of clients served 1/1/2007 to 9/30/2007 at the Pantry:**
Unduplicated individuals: 5,395
Unduplicated households: 2,240
b) **Number of those who were Richmond residents:**
Unduplicated individuals: 36
Unduplicated households: 14
- c) **Number of above Richmond clients served who were under age 19:** 51
d) **Number of above Richmond clients served who were over age 59:** 10
- e) **Number of Pantry boxes distributed 1/1/2007 to 9/30/2007:** 24,433
f) **Number of those Pantry boxes distributed to Richmond residents:** 168
- g) **Number of meals in pantry boxes distributed 1/1/2007 to 9/30/2007:**
521,641
h) **Number of those meals in pantry boxes distributed to Richmond residents:** 3,222
- i) **Estimated dollar cost, per client served, 2006:** \$42.65
Calculated using \$546,875.00 total cash expenses, 11,188 total clients
- j) **Estimated dollar cost, per meal served, 2006:** \$ 0.60
Calculated using \$546,875.00 total cash expenses, 780,888 total meals
- k) **Cost to Community Kitchen of pantry meals provided to Richmond residents, at 0.6 per meal through 9/30/2007:** \$1,933.20
- l) **Percentage of total pantry box meals provided to residents of Richmond:** 00.62%

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 32,577 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

J. C. Boudreau, Chair
Board of Selectmen
105 Old Homestead Highway
Richmond NH 03470

October 1, 2007

Dear Chairperson Boudreau:

We at Southwestern Community Services, Inc. wish to once again thank you for last year's appropriation for our agency.

As we have in years past, we are asking the local communities with which we work to consider a small appropriation to assist with our outreach effort. Although our costs have risen, as have yours, I'm sure, we are trying to keep our current request as low as possible, knowing that resources are limited.

I am enclosing an updated list of resources and services that Southwestern Community Services delivered to the residents of Richmond during the past year. Upon completion of your review, we respectfully request that we be placed on your Town warrant to ask the voters to appropriate the sum of \$950. This amount will allow us to continue the outreach and service delivery in Richmond at the same level as in the past.

We look forward to continuing the excellent working relationship that we have had with Richmond over the past thirty-nine years.

In closing, I would like to offer to meet with the Board of Selectmen or Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

I can be reached at (603) 352-7512, extension 4123 should you have any questions.

Sincerely,

Dear Richmond Selectman,

The Learning Center is a non-profit 501(c) 3 organization formed to care for children ages one to six and their families in Winchester and the surrounding communities. It provides encouragement, support, and role modeling for families when the rigors of parenting in this complex world become overwhelming. Although young children and parents are the primary beneficiaries, everyone in the area benefits from the availability of such an important resource. Employers benefit from the availability of high quality child care; the region becomes a more desirable area because of the availability of increased family services; and tax payers avoid future costs of family intervention and special education. It is difficult to argue against care, education, and support of our children: our future.

In the last fiscal year, 8 children from Richmond attended the Winchester Learning Center. It is likely in the coming years that more Richmond residents will be commuting through Winchester and will take advantage of the child care preschool options of the WLC. The Winchester Learning Center also provides employment for three Richmond residents.

While families pay most of the cost of care, the Learning Center operates on a sliding fee scale in order to make the highest quality care available to all. Therefore, cost of care exceeds the direct revenues. Nationwide, the market rates for quality child care are difficult for young families to afford. Many young families are on the lower end of their earnings potential and may find employment difficult or impossible without the availability of a child care alternative.

Costs are offset in a variety of ways. They are shared by the United Way, direct charitable donations, subsidized rent from the United Heritage Foundation, grants from foundations, Cheshire County Incentive funds, US Department of Agriculture reimbursement, and volunteer services from parents and friends. It is important for the Town of Richmond to be a direct supporter of this valued resource. This support is needed immediately and also serves as leverage for eligibility for other

state, county, and foundation grants. At a modest cost to the community Richmond can support a licensed, sustainable, center based, community operated, model organization, which can grow and adapt to our needs.

In the words of the National Commission on Children: "development during the early years has important implications for children's success in school. When a young child's needs for affection, basic health care, adequate nutrition, safe environment and intellectual and social stimulation are met in the early years, the child is more likely to succeed in school."

It is within this context that I submit a request for a donation of \$1,000, from the Town of Richmond, to provide child care and preschool services to Richmond children.

Thank you for your consideration,

Sincerely,

Dear Selectmen:

Please support The Samaritans
2008 Municipal Campaign

Did you know that families in and around your community have been effected by suicide?

Please see detail on the back of this letter.

Since 1981, The Samaritans have maintained the only completely confidential and anonymous, volunteer attended suicide prevention hotline in the Monadnock Region. Our compassionate volunteers help the lonely, depressed and suicidal of all ages throughout New Hampshire. The Samaritans does not charge any fees for the services that we provide. We must rely solely on our community's goodwill and generosity to sustain our programs.

So far in 2007, Richmond joined the towns of Antrim, Charlestown, Harrisville, Hinsdale, Peterborough, Richmond, Keene, and Swanzey in support of The Samaritans. We are deeply appreciative of your help. THANK YOU!

For 2008, we again request a \$250 municipal grant to help maintain our 24-hour crisis hotline program, our Safe Place Support groups, and our Educational and Outreach programs.

Together, we can make suicide prevention a partnership of our 29 cities and towns in the Monadnock Region.

Thank you in advance for your consideration of this request and for your past support. If you have any questions, about our hotline or other programs, please don't hesitate to call me at our business office at (603) 357-5510.

Sincerely,
